

# STEM WORKSHOP

The Fresno County Office of Education presents a 3 day workshop opportunity for teacher professional growth in the area of Science, Technology, Engineering, and Mathematics (STEM) education. By using the materials provided teachers will create lab based activities that will replicate real world experiences for students. There will be a focus on creating mathematical models (commom core) that can be applied to any math or science content strand.

Facilitators: Jennifer Weibert - Science  
Carl Veater - Math

**Dates:** Dec. 1, 2011, Feb. 9 and May 10, 2012

**Time:** 8:30 am- 3:00 pm

**Location:** Fresno County Office of Education
