

NOTICE OF PUBLIC HEARING

ADOPT RESOLUTION MAKING CERTAIN FINDINGS, AND AUTHORIZING AND APPROVING ENERGY SERVICES CONTRACT WITH BAP POWER CORPORATION RELATED TO CERTAIN ENERGY-RELATED IMPROVEMENTS; AND AUTHORIZING THE EXECUTION AND DELIVERY OF OTHER DOCUMENTS AND OTHER ACTIONS REQUIRED IN CONNECTION THEREWITH

The Fresno County Board of Education (FCBE) will hold a public hearing on November 17, 2011, at 2:10 p.m., for the purpose of taking public comments and adopting a resolution making certain findings, and authorizing and approving an Energy Services Contract with BAP Power Corporation for the implementation of certain energy-related improvements to FCBE's facilities in accordance with California Government Code Sections 4217.10 to 4217.18. The public hearing will be held in the Fresno County Office of Education's Board Room, located at 1111 Van Ness Avenue, Fresno, California 93721.

The FCBE shall also consider adoption of findings that it is in the best interest of the FCBE to enter into the Energy Services Contract with BAP Power Corporation for implementation of the energy-related improvements to the FCBE's facilities. The FCBE shall further consider adoption of findings that the anticipated cost to the FCBE for thermal or electrical energy or conservation services provided by the energy related improvements per the Energy Services Contract will be less than the anticipated marginal cost to the FCBE of thermal, electrical, or other energy that would have been consumed by the FCBE in absence of purchasing the energy improvements. Moreover, the Board shall consider adoption of findings that funds for the cost of design and construction of the energy conservation facility, as required by the energy services contract, are available through the State of California School Facilities Program.
