NOTICE OF PUBLIC HEARING

A public hearing will be held by the Fresno County Board of Education to receive public testimony and input from the community on the proposed changes to the Fresno County Office of Education Conflict of Interest Code.

California laws state that every local agency, which has adopted a conflict of interest code, shall review its conflict of interest code to determine whether a change in the conflict of interest code is necessitated by changed circumstances. The Political Reform Act (Government Code section 87300 et seq.) and section 18730 of Title 2 of the California Code of Regulations provide that the Conflict of Interest Code must meet certain requirements. The proposed Conflict of Interest Code contains proposed changes as follows: (1) addition of new positions, (2) broadening of the disclosure categories for consultants who are required to report, (3) the addition of the process for adding new positions, and (4) revision to the language with the goal of greater clarity.

The public hearing shall be as follows:
